

SUNBURST PARENT'S FREQUENT SKIER AGREEMENT FOR 2019-2020 (NO RELEASE)

By signing this Agreement one time, I, _____ (parent), hereby grant permission to Sunburst to rent ski and/or snowboard equipment and sell lift ticket passes for skiing to my child, _____ (child's name), born _____ (date of birth), on any occasion during the 2019-2020 Sunburst ski season.

I understand there is no limit as to the number of rentals or lift tickets Sunburst may provide to my child during the 2019-2020 ski season once I have signed this Agreement. It is my intent that this Agreement is binding on myself and my child on each and every occasion which my child rents ski and/or snowboard equipment or purchases a lift ticket under the permission I am granting by this Frequent Skier Agreement.

I understand my child must abide by the terms of the equipment rental agreement he or she will complete for each rental of equipment. By executing this form one time, I accept for use in its AS IS condition the equipment rented to my child on each occasion and accept full responsibility for its care while it is in my child's possession. I will be responsible for the replacement, at full retail value, of any equipment rented from Sunburst by my child which is not returned. I agree to reimburse Sunburst for any loss or damage of any kind to the rental equipment, other than reasonable wear and tear. I agree my child will return all rental equipment on the agreed date for each rental, in clean condition, to avoid additional charges. I agree the rented equipment will be used for the purpose of skiing or snowboarding at Sunburst only.

Skiing in its various forms, including snowboarding, involves risks, dangers, and hazards that may cause serious personal injury or death and injuries are a common and ordinary occurrence. Risks include, but are not limited to, changes in terrain, weather and snow surfaces, ice, moguls, bare spots, rocks, stumps, debris, fences, posts, trees, lift equipment and towers, the operation of chairlifts, and chairlift loading, riding, and unloading operations, including the presence or absence of restraint bars on the chairs, light poles, signs, buildings, ramps, roads and walkways, terrain features, including rails, boxes, corrugated pipes, cylinders, dance floors, wall rides, rollers, and table tops, step-up and step-down jumps, and other jumps, including their height, the location of the start point, the angles and lengths of their approaches and the angles and lengths of their take-off ramps and landing areas, and other terrain features, padded and non-padded obstacles, snowmaking, grooming, and snowmobile equipment and operations, and collisions with other persons and other natural and man-made hazards, including collisions with people and obstacles adjacent to and off the skiable terrain, such as snowmaking pipes, hydrants, guns, wands, and other snowmaking equipment, rocks, and trees, and improperly-adjusted and malfunctioning equipment. The risks in the sport of skiing can be greatly reduced by taking lessons, abiding by the Skier Responsibility Code (known as Your Responsibility Code), obeying the Wisconsin Skier Safety Act, and using common sense.

In downhill skiing, I understand the boot/binding system my child may rent is designed to reduce the risk of certain injuries to the lower leg. It will not release at all times or under all circumstances where a release may prevent injury to my child, nor is it possible to predict every situation in which it will release. I understand the same boot/binding system will not reduce the risk of injury to my child's knees or other parts of my child's body. I further understand the same boot/binding system does not have a backward release capability and will not release or protect any part of my child's body in the event of a backward fall. In snowboarding, I understand the boot/binding system my child will rent will not release during use, nor is it designed or intended to release in falls or accidents, or protect against any type of injury. I therefore understand the boot/binding system my child will rent in either circumstance CANNOT GUARANTEE MY CHILD'S SAFETY.

I HAVE CAREFULLY READ THIS PARENT'S FREQUENT SKIER AGREEMENT AND FULLY UNDERSTAND ITS CONTENTS.
